From the Principals Desk

Our vision at Seaforth ...

We are a community of educators and families, committed to achieving success and developing strength of character for every child that will allow for the accomplishment of their potential throughout and beyond the Seaforth years.

This week's key messages include:

- Prime Ministers Prize for excellence in science teaching
- P&C and the school working together Supporting our teachers and students
- 2016 School leavers
- And finally ...

Prime Ministers prize for excellence in science teaching

Last week, I had the absolute pleasure of accompanying Mr Gary Tilley to Canberra to jointly accept the Prime Ministers Prize for Science teaching (Primary) at Parliament House in Canberra presented by the Prime Minister and Minister Greg Hunt.

This is a highly prestigious award that is presented to seven of Australia's brightest minds and contributors to the Science Community with recipients of the award encompassing academics and teachers from across Australia that included:

- **Professor Richard Shine**, defending Australia's snakes and lizards, Prime Minister's Prize for Science (The University of Sydney)

Seaforth Public School

37 Kemptbridge Avenue, Seaforth 2092

Phone: 99481694

Web: www.seaforthpublicschool.com

- **Professor Michael Aitken**, making stock markets fair and equitable, Prime Minister's Prize for Innovation (Capital Markets CRC/Macquarie University)
- **Dr Colin Hall**, creating manufacturing jobs by replacing glass with plastic, the inaugural Prize for New Innovators (The University of South Australia)
- **Professor Richard Payne**, for re-engineering nature to fight for global health, Malcolm McIntosh Prize for Physical Scientist of the Year (The University of Sydney)
- **Associate Professor Kerrie Wilson**, conservation that works for government, ecosystems and people, Frank Fenner Prize for Life Scientist of the Year (The University of Queensland/ARC Centre of Excellence for Environmental Decisions)
- **Ms Suzy Urbaniak**—a geologist by trade—who is turning students into scientists, Prime Minister's Prize for Excellence in Science Teaching in Secondary Schools (Kent Street Senior High School, Perth)
- **Mr Gary Tilley**, creating better science teachers, Prime Minister's Prize for Excellence in Science Teaching in Primary Schools (Seaforth Public School, Sydney/Macquarie University)

For the community I have reprinted Mr Tilley's citation

Gary Tilley—creating better science teachers

Prime Minister's Prize for Excellence in Science Teaching in Primary Schools

Gary Tilley is mentoring the next generation of science and maths teachers to improve the way these subjects are taught in the classroom.

"In over 30 years of teaching, I've never seen a primary school student who isn't curious and doesn't want to be engaged in science. Once they're switched onto science, it helps their literacy and numeracy skills, and their investigative skills. Science is the key to the whole thing," Gary says.

Gary recognised a long time ago that the way science was taught in primary schools needed to change. So he has taken it upon himself to mentor the younger teachers at his school, and helps train science and maths student teachers at Macquarie University through their Opening Real Science program.

At Seaforth Public School, he and his students have painted almost every wall in their school with murals of dinosaurs and marine reptiles, and created models of stars and planets, to encourage excitement and a love for science. The school is now known by local parents as the 'Seaforth Natural History Museum'.

"Communicating science, getting children inspired with science, engaging the community and scientists themselves with science to make it a better place for the kids—that's my passion," Gary says.

For his contributions to science teaching, and mentoring the next generation of science teachers, Gary Tilley has been awarded the 2016 Prime Minister's Prize for Excellence in Science Teaching in Primary Schools.

The award brings a grant of \$25'000.00 to the school to fund further work and professional learning in Science for Seaforth Public School which we plan to develop a project proposal for over the coming weeks. The prize brings much deserved acknowledgement to our school whilst recognising Mr Tilley's work that has spanned much of his teaching career.

You can find out more about the 2016 recipients including profiles, photos including a 5 minutes' promotional video of our school that was screened at the awards event at:

<http://www.science.gov.au/community/PrimeMinistersPrizesforScience/Recipients/2016/Pages/Gary-Tilley.aspx>

Additionally, visit our Seaforth Public School community facebook page for images of the evening. This has been such an exciting event to be a part of and an amazing achievement that our community can be very proud of.

Seaforth Public School

37 Kempbridge Avenue, Seaforth 2092

Phone: 99481694

Web: www.seaforthpublicschool.com

P&C and the school working together Supporting our teachers and students

If you have been following the P&C facebook posts over the past months, I am very happy to announce that with the support of our P&C association, we have submitted orders for an additional 20 laptops and 20 ipads for learning which will arrive shortly as well as engaging Frost Air to install air-conditioning to all of the remaining A Block Kindergarten and Year 1 classrooms which get exceptionally hot in the summer months where the P&C have contributed \$5000.00 towards the overall cost of the project which is fantastic.

Additionally, Mr Cowling will be ordering new shelving for a seniors reading corner in the library which will add a fantastic facility to the library for our years 5 & 6 students.

I am very pleased to be able to work so effectively with our community to deliver enhanced resources for teaching and learning for our students where together we are providing the tools and facilities for success for our students!

2016 School leavers

We are commencing the process of planning our class organisation and structures for 2017 this term. A key part of this planning is reliant on parents who may be leaving our school across grades 1-5 to advise the school office of your intention to leave as soon as possible. Class formation is very much reliant on an understanding of our actual enrolments for 2017 where teacher allocations to the school are based on actual school enrolments.

I ask that all parents that are leaving our school to inform the school office by Friday 4th November.

And finally ...

Have an excellent end to the week and good luck to all of our PSSA sporting teams in this week's round of the PSSA Sporting competitions. As always feel free to stop by and say hello and chat about anything and everything!

Bernard Cheng: **Principal**

From the Deputy

As this year is rapidly moving towards its end, there are several programs being celebrated throughout the school to wrap up some amazing achievements.

PBL REWARD EVENTS

Our Positive Behaviour for Learning (PBL) team is preparing for our first end of year reward events. These events are for those children who have received three hundred Seaforth Handshakes since the beginning of Term 2, 2016 and will consequently receive three wristbands by week 8 of Term 4. The events will be organised in stage groups on varying days throughout Week 10 with destinations set to be revealed to our students in Week 6 of this term. It is the aim of the program that all students attend but attendance is contingent upon being awarded the required amount of Handshakes.

PHOTO DAY

Our photo day for sport and performance groups was a success on Monday. Parents will be notified when the proofs are ready for your perusal at the office.

Tomorrow, we welcome back the Navy Band thanks to the organisation of the Daly family, for another exciting performance for children K-6. This has become an annual event for Seaforth students and one that is always high energy and thoroughly enjoyed by all.

Finally, Term 4 is traditionally the time of year that Mandatory Child Protection lessons are incorporated into classroom programs. These will be occurring in K-6 classrooms this term. If you, for any reason do not want your child to participate in these lessons, please opt out by sending a confidential note to your child's classroom teacher.

School News

Schools Spectacular

This year Seaforth Public School is participating in Schools Spectacular for the first time. Following the auditions, a dance team of 16 students was selected from years 4-6. Schools Spectacular is a showcase of the talent in NSW public schools. The theme this year is Dream Big, and there are over 5000 students taking part.

Congratulations to the students who were successful in their auditions:

Tessa B, Stella V, Annabelle C, Sky B, Sally P, Lily C, Laura E, Millie R, Georgia K, Alara A, Grace F, Kayla R, Laila B, Matilda C, Kaila T and Stella M.

Last week, on Thursday 13th October, the team attended their first rehearsal at Sydney Olympic Park. The girls had a very exciting and exhausting time, dancing all day long!

The 2016 Schools Spectacular will be held at Qudos Bank Arena, Sydney Olympic Park on Friday 25 and Saturday 26 November.

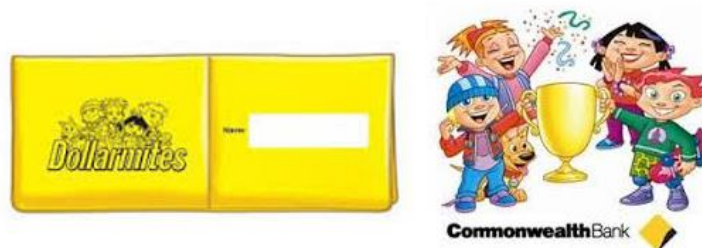

Tickets are now available through Ticketek. We would love your support and encourage you to buy tickets and come to see the show. It will truly be a spectacular event.

For more information, visit the website www.schoolsspectacular.com.au.

OR by using the super quick and easy free Book Club LOOP for Parents App available from the Apple App Store and from Google Play.

For all cash, cheque and credit voucher orders: please fill out your order form, and submit along with your payment in a labelled, and sealed envelope into the Book Club Order Boxes at either the Kempbridge or Yatama Offices

ORDERS CLOSE FRIDAY 28th OCTOBER

Orders are usually delivered to your child's classroom approximately 1 week after the date orders close.

If you have any questions or difficulties please contact me at seaforthps.scholasticbookclub@gmail.com

Kitty Williams: **Scholastic Book Club Co-ordinator**

Library News

Book Week Parade

What a day it was! Many people commented on how they just could not believe the costumes – they seem to get better every year!

Thank you everyone: teachers, parents, grandparents, children, and most especially our fabulous team of volunteers, who cooked for us, served our food, and sold books for the Library.

A special thanks to John Thompson, our Sizzle-Master, who puts in many hours organising and running our bbq, and getting every detail right, always. No mean feat: this year there were over 500 orders. This school would not be the same without you John!

Donated Books from Book Week Sale – Coming Home Very Soon!

Thanks to all the people who bought them, the Library will shortly have an additional \$2,500 worth of sparkling new books. The books purchased on Book Week Parade Day have all been “bookplate”, most are now barcoded, and very soon, they will be covered. The first of them should be coming home, with your children, next week.

Kel Cowling: **Librarian Teacher**

Chess News

Chess Classes Resume This Week

Chess classes for Years 1 and 2 will resume this Thursday, in the Library, at lunchtime. New players always welcome. If you have never played before, do not worry – we will teach you!

Seaforth Public School

37 Kempbridge Avenue, Seaforth 2092

Phone: 99481694

Web: www.seaforthpublicschool.com

Unfortunately, there will be no chess classes this term for students in Years 3-6. These classes will resume in Term 1 next year.

Seaforth Open – Coming Soon

Our annual end-of-year School Chess Championship/Christmas Party is coming up on Friday 25th November. We use this tournament to determine who our School Chess Champion will be. This tournament is open to all children, from Years 1 to 6, who know how to play chess. It is a lot of fun, and there are trophies on offer for winners and runners-up in every age group.

A permission note to attend this event will come home in about two weeks' time.

Killarney Heights PS Invitational Tournament

Last Thursday, a contingent of Seaforth students headed off on a chess excursion, to an all-day tournament at Killarney Heights Public School.

For many of our Year 2 chess players, this was their first ever tournament. I am pleased to report that everybody acquitted themselves very well, and had a great day!

Our school placed 2nd overall out of the 12 schools participating. (Our nemesis, Newport, came first.) Jack Allinson, our current School Champion, placed 3rd in the individual rankings on the day (out of 120 children present). Well done Jack, and well done everybody!

Kel Cowling: **Chess Coordinator**

P&C News

COME AND JOIN US AT THE CANTEEN... CASUAL PAID POSITION AVAILABLE!

Seaforth Public School is looking for a Casual Canteen Assistant to support our fantastic team in delivering a healthy food service to students, staff and the wider school community.

This role will require you to undertake a variety of activities including food preparation, cooking, baking, preparing recess and lunch orders, serving at both the Kempbridge Ave and Yatama St canteens and keeping the canteen area clean and tidy.

We are looking for someone who is energetic and fun loving and who can work in a small but fast paced team environment. Prior canteen experience would be ideal.

We are looking for someone who can work approx. 8-12hrs per week, mainly on Thursday and Friday, and is also available on other ad hoc days, such as School Book Week day and Grand friends day.

If you think you have the skills and attitude needed to join our team, then please apply in writing to seaforthcanteen@gmail.com. Applications close 12pm on Friday 28 October 2016.

Angelique Dethridge: **Canteen Coordinator**

Kitchen Garden happenings...

The garden has supplied kitchen classes with beautiful beetroots, which have been used to make beetroot burgers with yoghurt and herb flat breads. The amazing red burgers were an overwhelming big hit with all the students. Keep an eye out for the recipe on the Seaforth Public School Facebook page and try them.

Kitchen classes continue to support Mathematics concepts giving students practical hands on links through authentic learning experiences. Year 3 classes used fractions to divide and measure ingredients and serve their delicious creations. This week they used spinach and broad beans from the garden to make dips as well making herbed popcorn and kale chips.

Stage 3 classes have explored Asian cuisine linking with their Geography unit. They enjoyed a banquet of Mee Goreng, fried rice, chicken and vegetable steamed dumplings and baked vegetarian spring rolls. They also experienced the different serving and eating styles as well cooking and food preparation techniques.

We have set a date for a thank you morning tea for our volunteers. This will be on Tuesday 6th December from 9.15am in the kitchen. We would love to see you.

Mrs Nada Burke: **Kitchen Specialist Teacher**
