## From the Principals Desk

### Our vision at Seaforth ...

We are a community of educators and families, committed to achieving success and developing strength of character for every child that will allow for the accomplishment of their potential throughout and beyond the Seaforth years.

### This week's key messages include:

- P&C Meeting next Tuesday 7<sup>th</sup> June
- Good luck to our Cross Country Competitors tomorrow
- New School App
- PSSA Fees due
- Winter Uniform – 1<sup>st</sup> June
- And finally ...

### P&C Meeting next Tuesday 7<sup>th</sup> June

Just a reminder that our P&C meeting is scheduled for next Tuesday. At this meeting I will be presenting the plans for the rebuilding of our classrooms as well as our Positive behaviour and learning Team (PBL) will be talking in depth about our new approach to student welfare and recognition.

Seaforth Public School

37 Kempbridge Avenue, Seaforth 2092

Phone: 99481694

Web: [www.seaforthpublicschool.com](http://www.seaforthpublicschool.com)

As always the P&C is an excellent opportunity to be a part of our communities' decision making processes where we always encourage and welcome new faces each month. Next week's meeting is scheduled for 7:00pm where I hope to see you there!

### **Good luck to our Cross Country Competitors tomorrow**

I would like to wish the best of luck to the 58 cross country competitors off tomorrow to compete at the Zone Carnival. I am looking forward to our school being represented by our talented athletes and would like to thank our parents and teachers; Lisa Carlton and Narelle Stacey for all of their efforts in supporting our student's participation!

### **New School App**

As I mentioned in last week's newsletter, we have launched a new school communications app, which we hope that all parents will take the time to download to their smart phone or device. The app is free and is available from our school website from the *school communications* tab. Equally if you prefer, you may also register to receive our communications by email if you would like to access our communications from multiple streams. If you have any problems accessing our new app or registering for email communications, please contact the school office for assistance.

### **PSSA Fees due**

Just a reminder to all families with students participating in our PSSA program that the fees for participation are due. We still have a few outstanding families that are yet to finalise the cost of this extra-curricular activity. As this is an "at cost" to the school, students that have not had their fees settled this week may be directed to participate in school sport. Please contact the school office if you are experiencing any difficulties or would like further information. All payments can be made via our school website.

### **Winter Uniform 1<sup>st</sup> June**

As the weather is getting cooler, just a reminder that the official change over date from Summer to Winter uniform is tomorrow (1<sup>st</sup> June). Ashley in the uniform shop will be more than happy to assist families that require additional items in the uniform shop that is open Monday's and Thursdays each week.

### **And finally ...**

Have a great week and if you have the chance, you might say hi to our new crossing supervisor John who has enthusiastically taken over from our much loved Robin last week. So far I think he has been doing an excellent job of managing students and traffic which I can say from my short stint last week is quite an art!

As always if you see me darting across the school or not with a family in my office, please feel free to say hello!

---

**Mr. Bernard Cheng: Principal**

## **School News**

### **School Website**

The new school website links with the new school app. If applicable all notes and links are available on the website via the calendar.

### **School Crossing**

It has been brought to our attention that a lot of parents are not using the Zebra crossing. Let's all be responsible role models and cross the road using the crossing. Many thanks for your cooperation.

## Student Opal Card

It is a condition of use that students tap on and tap off at the start and at the end of each trip with their Student Opal Card. This is important to ensure correct patronage data is recorded, which is used to plan school special and regular route bus services. This data helps State Transit ensure adequate capacity is provided, so students can travel to and from school safely.

Currently, many students are failing to tap on or off the Opal readers when using their Student Opal Card.

To assist with future service planning, can you please advise students of this important condition of use so State Transit can continue to provide effective school bus services in the future.

Thank you for your assistance.

## Band News

Thanks everyone for doing the online registration for Band Camp. We are delighted to report that only 2 students are unable to attend this year.

### Some important things to remember for band camp:

- Please arrive at 8am on Wednesday the 8th (allow enough time for travelling) - we need to do roll-call, get everyone allocated to rooms and we start at 9am sharp.
- If you aren't able to bring your own child, ask around in your band as there will be many parents willing to offer your child a lift.
- Please remember to bring a MUSIC STAND - your child **MUST** have one for their tutoring sessions. These are available at Mall Music if you haven't bought one yet.
- If you have volunteered to bake for the tutors' afternoon tea, please bring that with you on Wednesday morning (or arrange with another parent to bring it for you).
- Please have a little chat with your child before you arrive about the behaviour that is expected of them at band camp. We have 2 wonderful teachers and parent supervisors for both days, but we have 67 kids to supervise and we ask that they conduct themselves appropriately during the camp.
- It looks like it will be pretty cold next week so make sure you pack lots of warm clothes, especially for night time.

Thanks everyone. See you at band camp next week.
