From the Principal

PSSA Commences

Congratulations to all our students who played their first PSSA Summer Competition game for 2018. We certainly have enthusiastic and dedicated students who are giving their best and represent the school very proudly. We're off to a great start!

Zone Swimming Carnival

Unfortunately the Zone Swimming Carnival date has been changed to Wednesday 21 March. We have liaised with the Manly PSSA Association and tried our best to reach an agreed alternate date, however, it is not possible. For students in Year 2-4 competing, this is no issue. Sadly, the Year 5 and 6 camp clashes with this date. The students and their parents for whom this effects have been notified and options have been presented. I will be raising this with the Northern Beaches Learning Alliance Principals at our meeting next week so that this does not happen again in future years.

Celebrating Student Work

This year we would like to include some student work samples in the newsletter so that students, teachers and parents can see some of the wonderful learning that takes place in classrooms. Miss Aitken and Ms Piper are the first volunteers to share some fabulous work that their classes have done. I love that Miss Aitken's class are working on sustainability while learning maths concepts at the same time! Please take a look at the student's great work on "Trash Free Tuesday". Ms Piper's class have shared some very creative stories and made a class artwork. Enjoy viewing their work!

TRASH FREE TUESDAY!!

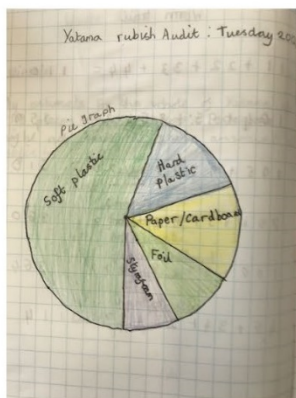

This semester, the SRC and all Year 3 and 4 students are working towards making our school more sustainable. To get started, we are holding a 'Trash Free Tuesday' logo competition for 3-6. Entries will be judged by the SRC on Thursday the 1st of March.

In addition, the SRC will be tracking the number of Trash Free lunches and amount of waste produced by each class every Tuesday.

Soooo...will you have a Trash Free lunch this Tuesday???

2 x Handshakes to those students with no rubbish every Tuesday for being responsible citizens who look after our Earth.

These graphs show the data 4A and 3S collected on Tuesday the 20th of February.

We counted **773** pieces of rubbish on Yatama campus, alone!
Let's try and improve our data next week.\

What's Been Happening in 2P?

2P have been using Alexander's Outing by Pamela Allen to learn about different techniques that authors use to engage a reader. We have been learning to use words like 'so' and 'but' to show a change in a story. Check out how 2P geniuses use these words in their own writing.

The reason some of our stories are about leaves is because we all went outside to collect leaves. We then came back to the classroom and created a collaborative artwork only using the leaves. We then came up with stories using the artwork we created. Check out our artwork below.

P&C News

We kicked off the year with a very lively and well attended P&C meeting for which the minutes are below. It was great to see real engagement on many topics - air conditioning, Yatama field, fund raising, the tunnel etc. We meet on the third Tuesday of every month (during term time) at 7pm in the School Library and we really look forward to seeing you there ideally armed with questions and ideas for the school and P&C.

Chess News

2018 Chess Clubs Up and Running

Our school runs two chess clubs. Both of them have resumed over the last couple of weeks. The first for children in Years 1 and 2 is held every Thursday at lunchtime in the Library. The other for students in Years 3-6 is held at lunchtime on Fridays in Miss Carlton's classroom.

Coaches from the Sydney Academy of Chess come along to provide instruction and to supervise games.

We always welcome new players. Experience in chess is not necessary. If your child is, or might be, interested in learning chess just drop me a line at the school, or drop in to see me anytime in the Library.

Mona Vale PS Chess Tournament

On Monday 19 March, I will be taking a group of chess players from our school to compete in the annual Mona Vale PS Chess Tournament. Around a dozen or so schools normally take part and it is always a great day.

Unfortunately, this year the date clashes with our senior camp, so senior players from our school will not be able to take part. However, the parents of Chess Club members from Years 2-4 will shortly receive an invitation for their child to participate. Look out for it!

Kel Cowling: **Chess Coordinator**

Sydney Swans Visit & Paul Kelly Cup

On Monday morning, Years 3-6 received a visit from three up-and-coming Sydney Swans players: Callum Mills, George Hewitt, and Robbie Fox. The players gave us an entertaining and informative talk about what it takes, and what it's like, to be an elite athlete.

It was perfect timing too. Next Wednesday 7 March around 50 of our senior students – boys and girls – will be heading off to Nolan's Reserve to compete in the AFL Paul Kelly Cup. Good luck everyone! We know you will bring great credit to yourselves and our school.

Wakakirri News

This year, Seaforth Public School will be entering Wakakirri. Wakakirri is Australia's largest Story-Dance Festival, involving over 20,000 students across every State and Territory. It provides an opportunity for students to theatrically tell a story using a combination of dancing, acting, props/sets, music and creative movement. Each year hundreds of schools across Australia create Story-Dances for Wakakirri that reflect their students' thoughts, ideas and aspirations. These stories are performed in professional theatres in front of the official 'Wakakirri Panel' who are searching for 'Story of the Year'.

Congratulations to the Year 3-6 students who auditioned for the Wakakirri group this week.

ROAD SAFETY INFORMATION

YOU ARE RESPONSIBLE FOR YOUR CHILDREN'S SAFETY WHEN THEY ARE TRAVELLING TO AND FROM SCHOOL.

Drive and park safely near schools

The beginning and end of the school day are busy times for pedestrians and drivers outside schools.

You can help keep children safe by remembering the following:

- drop off and pick up children on the school side of the road
- never call out to children from across the road – it is very dangerous
- always take extra care when driving in 40km school zones
- follow all parking signs – these help keep children as safe as possible
- park responsibly even if this means you have to walk further to the school gate
- never double park – it is illegal and puts children at risk
- never do a U-turn or three-point turn outside the school as it puts children at risk of harm
- model safe and considerate pedestrian and driver behaviours to your children.

For further support

Go to the department's Road Safety Education program at education.nsw.gov.au/road-safety-education or visit education.nsw.gov.au and search for road safety education.

When travelling in a car ensure your children:

- use a booster seat if they are aged between 4 and 7 years old – it's the law
- are correctly buckled up in their seatbelts
- always get in and out of the car through the 'safety door' – the rear door on the footpath side of the car
- are never left alone in the car.

Up to 6 months

Approved rear-facing child car seat

6 months to 4 years

Approved rear- or forward-facing child car seat

4+ years

Approved forward-facing child car seat or booster seat

145cm or taller

Suggested minimum height to use adult lap-sash seatbelt

Seven new school zone traffic offences

To help schools keep the school zone safer for all pedestrians and drivers there are seven new traffic infringements with new fines.

None of the seven offences attract demerit points when committed elsewhere on the road but in a school zone they each come with two points.

The changes are:

1. Stopping in intersection - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
2. Stop within 20m of intersection (traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
3. Stop within 10m of intersection (no traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
4. Stop near bicycle crossing lights - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
5. Obstruct access to ramp/path/passageway - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$330 and 2 demerit points.
6. Not parallel park in the direction of travel - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.
7. Parallel park close to dividing line - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.

All updated school zone offences can be located through Roads and Maritime:
