Band Camp

Congratulations to all the students who attended Band Camp last week. When I went up for a visit on Wednesday I was so impressed with everything that I saw. The bands are sounding wonderful and I know they learn an enormous amount during their intensive sessions. Not only was this a great musical opportunity but it was a time to create a cohesiveness between band members, conductors and tutors. Plus it was a lot of fun! A huge thank you to Mrs Curnow and Mrs Alver for spending two days and one night at Band Camp, not to mention all the work that went into the planning. I would also like to thank all the parent helpers that attended band camp and the Band Committee, in particular, Allison Strickland and Vanessa Sutton for the enormous amount of work that went into organising such a successful event. In the words of ABBA "Thank you for the Music".

Paul Kelly Cup and Zone Cross Country

Last week was a big week for our students demonstrating their talents, skills and passions. Congratulations to all the 38 students who represented the school at the AFL Paul Kelly Cup. Thank you to Ms van der Saag and Ms Aitken for organising this great opportunity for the students. Congratulations to the 45 students who represented the school at the Zone Cross Country Carnival on a very wet and wintery day. We had some outstanding results, as well as a whole team we are very proud of. Thank you to Ms van der Saag and Ms Carlton for all the work put into cross country this year. Some students will represent us at the next level! Good luck to these students for Friday 22 June. Read more about this in the sports report.

Students Taking Leave

Just a reminder that if you intend to take leave for 10 days or more, please see the office to fill out a leave form that I will sign off on. For leave under 10 days you only need to inform your child/children's teachers.

Debating Teams

Congratulations to our two debating teams who competed this week - an outstanding effort! Read more about this in Mrs Armstrong's report.

New Signs

Many of you will have noticed all the fantastic new signs around our school on both campuses. Some are hard to miss as they look amazing! This is just another way we are really making our school look wonderful and making it more practical and welcoming. This initiative was jointly funded by the school and P&C. I would like to thank the P&C for their support both financially and through their commitment to supporting new initiatives. All the hard work behind this came from Michelle French. Nothing like this is ever easy or simple, it takes hard work and dedication. Michelle has been working tirelessly on this project. Thank you Michelle!

School Photos

This year's school photo days are fast approaching. They will be held on Monday 25 June at Yatama campus for students in Years 3-6 and 2P. The K-2 photos will be the following week on Monday 2 July at the Kempbridge campus. School photo payment envelopes will be sent home today. Please also note the advertisement later in the newsletter which has information about online ordering.

Sibling photos are available at parent request on both mornings from 8.45am. These will be done based on a first come first served basis. Parents are requested to bring their children to these sessions.

Please ensure that all students are in their full winter uniform on their allocated photo day.

Sports and special group photos will be taken later in the year in November.

Debating Team News

Congratulations to the Year 6 debating team Elliot P., Manuel M., Darcy S. and Reid S. who successfully won their debate yesterday against Northbridge PS at their school. The topic they debated was 'Kid's caught cyber bullying should be banned from electronic devices until they are 18'. The boys debated for the affirmative of this topic.

The Year 5 debating team of Zac B, Toby B, Chloe I, Natasha S and Lucy D also debated against Northbridge PS yesterday on the topic of 'Australia should ban violent video games'. The Seaforth team argued for the affirmative and were narrowly defeated, congratulations.

The Year 5 team also competed against Middle Harbour Public school today on the topic 'Art and Music should be banned at Public schools in favour of Maths and Science.' This team debated for the negative, but were unsuccessful on this occasion.

Both teams are to be commended for their excellent efforts with their training and their behaviour and positive attitudes during the competition. Thank you to Ms Narelle Stacey who has been coaching both teams and organising their participation in the competition.

School External Validation

Once during a five-year cycle, schools undergo an external validation of the evidence of their school self-assessment. Each year approximately 20% of schools will be selected as a representative sample across Operational Directorates.

Schools engage in discussions with an external panel and have their self-assessments validated using the School Excellence Framework (SEF). The panel, comprising of a Principal School Leadership (PSL) and a peer Principal, meet with the school leadership team and determine whether the school's evidence supports their self-assessment using each element of the SEF. An external validation panel report, which includes the school determined next steps in the self-assessment process is provided to the school following an external validation.

Seaforth Public School has been selected to be a part of this process this year. The executive staff and teaching staff are currently in the process of reviewing the schools performance in a range of areas against the School Excellence Framework and in alignment with our School Plan 2018 – 2020. This self-assessment will culminate in a written report and interview with the validation panel in late August 2018.

The School Excellence policy and implementation guidelines provide a clear guide to schools on the external validation process. Embedding effective self-assessment practices will mean that our school will be well positioned to identify and annotate our most significant pieces of evidence for submission to the validation panel.

Thank you to all of our staff who are working so diligently to support the executive team with this process.

Library News

Book Return Box Competition

There are entries coming in for the Book Return Box. I am loving the designs! We would like to have another box at Yatama, to make it easier for book returns. If you have a furniture item that could be converted into a book return box, let the library know.

Outstanding books

There are so many outstanding library loans. Please have a look to see if you have our library books at home.

Jigsaws

It would be great to have a jigsaw table at the library. If you have any interesting jigsaws you might like to donate please send them in.

This is just to remind you about the Premier's Reading Challenge which finishes on Friday 31 August. The aim is to foster and develop a love of reading and it's great to see how many students are working through the challenge. Here in the library, we are reading many of the picture books from the lists to the students. There are great picture books that encourage discussion for Years 3 – 6 and I have been teaching prose to the Year 1 students who attend my library sessions. Please ask them to recite a verse from *The Very Brave Bear* and *Pig the Star*.

K – 2 students only have to **experience** 30 books (25 books from the reading challenge and 5 can be personal choice) – that is participating in shared reading, listening to a book, reading part or the entire book independently.

Years 3 -6 must **read** 20 books. 15 books from the list and 5 can be personal choice.

The Library has many of the books from the list. They have been placed in special areas in the library for easy finding. Each book will have a coloured dot on the book spine to identify a list book.

K – 2 red dots

3 – 4 green dots

5 – 6 pink dots

7 – 9 blue dot

Students can choose books from their year or above! Books below their grade do not count.

Chess News

Seaforth is represented by 3 chess teams in the Manly Warringah Chess Competition, this inter-school competition held on Friday afternoons.

Seaforth A Intermediate played Manly West B and won 3 games. This team is represented by Toby B, Tristan B, Ciaran M and Adrian L.

Seaforth B Rookies played Collaroy Plateau A and although they had no wins there were a few close matches. This team is presented by Vincent W, Oliver K, Heloise C and Milla M.

Seaforth C Junior Rookies played Our Lady of Good Counsel and had 1 win and 2 draws. This team is represented by Oliver B, Luca R, Jamie S and Bastian T.

Well done to all the chess competitors in week 6 and best of luck for week 7.

Band News

Band Camp

It was a cold and frosty morning, the kind of day no one wants to get up, but this was different. It was rush hour, we had to pull on our clothes, grab our belongings and run. We were cruising on the roads to Ingleside. We got assigned our cabins, why? Because this was BAND CAMP...

"YAY" they screamed "we are finally here" they burst through the doors. They didn't have to much time until practice started then it would be alternating between tutorials and rehearsals. Tutorials are when the instruments split up, and learn their part. For example just clarinets or maybe just trumpets would go with the rest of the people who played the same instrument and learn with a professional. Rehearsals are just when the band gets together and rehearses their songs. There are 2 bands, the Training Band and the Performance Band. The Training Band is for people beginning to play their instrument and the Performance Band is for the more experienced players. We did this from 9:15-3:00 (of course we had meals in between, there is a menu down below and a food review)

After a day of hard work and nailing the music we all finally had a fun break - playing fun indoor games with Phil, had a chance to play air hockey and table tennis, and had the luxury of rock climbing. We had an excellent time before retiring to our cabins for some free play - our cabin played a game called "monster". We were all hyped before going to dinner (you'll see what I mean when you look at the photo!) as afterwards we'd be going to an African Drumming performance, where we learnt some percussion methods on the bongos. Even though we were only meant to have 30 mins play before bed, let's just say there wasn't a lot of sleep going on unfortunately for the parents supervising the cabins until finally sleep overtook the cabins.

The next morning the sun soaked the bush land and we awoke to the sounds of the birds chirping. We had some play, then breakfast and then back into our daily routine of rehearsals, rehearsals, rehearsals! Finally the concert hit us - we all did a very good job with the Training Band playing "Penguin Promenade" and "The Blues", and the Performance Band playing "Tears in Heaven", "A Childhood Hymn" and band favourite "Harry Potter and the Prisoner of Azkaban". After the concert we all retired home for much needed sleep! I'd like to say Thank You to the conductors Rob Jardine and Maddy Shearer, all the parent helpers and organisers, the school for supporting the band, everyone at Camp Kedron and all who came to Band Camp!

Did that sound like fun to you? Well next year you should join the band!

Paul Kelly Cup

On Monday 4 June we took two girls teams and a boys team to represent Seaforth at the Paul Kelly Cup Regional Finals. The gala day was held at Queens Park, which meant an early morning for all the students! Our teams played very well and showed great sportsmanship. Our girls Pink team were undefeated on the day, however due to our for and against points not being as good as other schools, we did not progress through to the state finals. Well done to all students for representing Seaforth with pride and showing great skill and teamwork on the field.

Zone Cross Country

On Tuesday 5 June, 48 students represented Seaforth at the Manly Zone Cross Country Carnival. It was a very, very wet day and our students showed resilience in some challenging conditions. The students went above and beyond to support each other and we had some fantastic results. We will have five students going forward to represent Seaforth at the Sydney North Regional Cross Country Carnival.

- Grace F placed 4th in her race
- Eva G placed 4th in her race
- Bella H placed 1st in her race
- Heloise C placed 3rd in her race
- Chelsea H placed 1st her race

Well done to all students and good luck at the Sydney North Carnival.

Australian Antarctic Festival

Over two weeks May 24 and 31, 50 students from K-2 took place in painting penguin cut outs for the Australian Antarctic Festival. The festival takes place annually in Hobart during the month of August. The Penguin Project is part of the festival and has over 7000 schools participating in painting the 30cm plywood penguins for display. The penguins will be on display on the waterfront during the festival alongside penguins designed by professional artists. The Seaforth participants fully embraced their creativity and designed 50 individual looking penguins that range in colour and design.

"My kids love going to Camp Blue.

They love being able to choose what they want to do, instead of being dictated to. They love meeting up with other kids outside their school friendship group. They love the enthusiasm of the campers."
