Bear Pit Public Speaking Competition

On Monday this week two students from Seaforth Public School represented our school at the Bear Pit Public Speaking Competition at Parliament House, Sydney. Sabrina S (Stage 3) and Andrew T (Stage 2) were the winners from the school competition held last week. Both Sabrina and Andrew presented excellent speeches. Sabrina's topic being 'Can you Imagine a World Without Boundaries?' and Andrew's being 'Everyone needs a Dream'. It was such an honour to go and watch them compete alongside other local schools. They truly did us all proud representing Seaforth. The Bear Pit competition has been held annually over the last 10 years and it was hosted by our local Member of Parliament, James Griffin. While Andrew and Sabrina did not win the overall competition they were of such a high calibre. I am glad I didn't have to judge! Congratulations Sabrina and Andrew!

External Validation

Each year, a group of schools are nominated to participate in an external validation process. This year Seaforth Public School was chosen for this process. Every school will undertake external validation once every five years. This provides an opportunity for schools to discuss their judgements about their practice in relation to the Schools Excellence Framework– and the evidence that underpins them – with a panel consisting of a principal from another school and a principal school leadership. Embedding effective self-assessment practices will mean that schools are well positioned to identify and annotate their most significant pieces of evidence for submission to the validation panel.

I would like to celebrate with the community that Seaforth Public School was validated this morning after a two hour panel meeting. Not only were we validated but the feedback from the panel was extremely positive and we were even given some ratings that were higher than what we had assessed ourselves as. The panel were impressed with students and staff that they met and felt there was a very positive and happy feel to the school. Thank you to our executive team Liz Armstrong, Alison Crowshaw, Hannah Piper, Meryn Kay and Tori Fitzpatrick for working so hard and collaboratively on our submission and presenting it this morning to the panel. There is still much to be done but this process highlights what we have already achieved, where we are heading and that we have a strategic plan to get there. Congratulations to all!

Wakakirri News

What an exciting week we are having! Huge congratulations to our Wakakirri dance group who have been chosen to perform in the finals! They will be performing at Sydney Olympic Park on Tuesday 18 September. Congratulations to all involved. What an outstanding effort!

Zone Athletics Carnival

Yesterday students represented Seaforth at the zone field and 800m events at Narrabeen Sports Academy. Today the track events were held. Stay tuned to hear the results via the school app. Congratulations to all our competitors!

Fiver for a Farmer and Fathers' Day Breakfast

This Friday 31 August is our Fathers' Day breakfast. We look forward to thanking our dads for all they do and look forward to spending time with them. The event commences at 8am in the Kempbridge Avenue Hall.

This is also our 'Fiver for a Farmer' day. Students (and parents) can come to school dressed in their best farmer outfits. Please donate \$5 for this very worthy cause. Where would we be without our farmers? They provide us with so much. Now it's our turn to give back.

Read-a-thon

Thank you for your amazing support of the Read-a-thon, just a reminder that money is due in by Friday 31 August.

The money we have collected so far will go a long way to resourcing our school with new reading material and devices.

Book Week Parade

Our Book Week Parade is next Tuesday 4 September from 9.30am on the Kempbridge Avenue Oval. Spectators most welcome! I look forward to seeing some wonderful treasures in the parade!

Police Band Visit

Yesterday our performance band were so fortunate to have a workshop with the NSW Police Band. Following this our K-2 students were given a concert full of music they knew from TV and movies. What an inspiration for any budding musician to see the Police band perform. Everyone had a wonderful time there was even some singing and dancing (including from the teachers). Any Year 2 students who would like to learn an instrument and join the training band in 2019, there will be an opportunity in Term 4 to do this. Please read the Band News section of the newsletter regularly.

NSW ICAS Writing Competition Results

This year we had 55 students in Years 3-6 participate in the NSW ICAS Writing competition. This competition is elective and as a result demands very high standards from those students who participate. Of the Seaforth students who participated 6 were awarded **Distinctions** (Year 3 - Ava K; Heloise C; Year 5 – Thomas P; Henriette M; Amber R; Year 6 – Reid S) , 13 with **Credits** (Year 3 – Ellen L; Charlie K; Milla McF; Joseph P; Year 4 – Eowyn W; Eliza G; Year 5 – Lucy B; Year 6 – Joshua A; Madison C; Poppi M; Stella M; Kayla R), 9 with **Merit** and 27 for **Participation**. Congratulations to all of these students for your achievements and having a go!

Read-a-thon Sponsorship Money due Friday 31 August

Thank you to everyone for collecting your Read-a-thon sponsorship donations. We have had a wonderful response from our community. **Friday 31 August is the final day for payments** that are entering the competition. However, we are always happy to accept any late donations.

We are very fortunate to have been donated some excellent prizes.

The winners will be announced and prizes distributed on Wednesday 12 September (Week 8) at a special K-6 assembly. The final amount raised will be announced in our next Newsletter.

Each child can only win one prize. Therefore the overall prize winner will not also receive their class top money prize, that will go to the second place person in that class.

The student who raises the most money will be able to choose whether they want the top prize – the Play Station 4, or one of the other major prizes... the Bluetooth speaker or the Body/Boogy board. Then the second place winner decides from the remaining two choices and the third place winner receives the final major prize.

The person who raises the highest amount of money in each class will have their names put in a raffle and will be able to come and choose from the range of 'Experience Prizes' as their names are drawn. These include: 2 tickets to Luna Park; 2 adult entry tickets to Taronga Zoo; 2 Double passes to Cremorne Orpheum Cinema; 2 adult passes to Q Stations Ghostly Encounter Tours; 2 Family passes to Northern Beaches Rock Climbing House; 3 Double passes to Flip Out; 5 family passes to Andrew Boy Charlton Pool in Manly; 2 double passes to Manly Kayak Centre; 2 full day school holiday passes to Tinker Tanker Robotics School Holiday Camp; passes to Putt-Putt at Pittwater Golf Centre; passes to Wannabees playland and a double pass to Manly Surf n Slide.

So that every child has a chance to win... each class will also have a person drawn from their raffle box. Students will need to place their completed Reading Record with their name and class on it into their class raffle box at the end of the Read-a-thon. They will be able to come and choose from the range of 'Experiences Prizes' above that are left, or from book packs, puzzles, toys, keep cups and other gift card items.

There will also be a prize for the class that raises the most money and the class that returns their money first to the office. If you are not participating could you please let your teacher know so that the class doesn't miss out on first place.

Many thanks to our wonderful sponsors: Luna Park, Taronga Zoo, Cremorne Orpheum Cinema, Q Station, Northern Beaches Rock Climbing House, Flip Out, Andrew Boy Charlton Pool in Manly, Manly Kayak Centre, Tinker Tanker Robotics, Manly Surf n Slide, Four Brothers, K-Mart, Target, Berkelouw Books Balgowlah, Oracle Books Mosman, Pittwater Golf Centre, Wannabees & Bunnings Balgowlah.

Sponsorship money is being collected until Friday 31 August. Payment will be available by cash, credit card or direct payment through POP. Please register it under (Readathon).

PBL @ Seaforth Public School

Safe

Respectful

Responsible

Resilient

- Positive Behaviour for Learning (PBL) is an evidence-based whole school process to improve learning outcomes for all students. It
 - addresses the diverse academic and social needs of every student to support them to be successful;
 - enables schools to establish a continuum of supports that are intensified to meet student need;
 - is team driven, using a problem solving approach that engages the whole school staff, students and parents/carers;
 - establishes positive social expectations for all in the school community; and
 - provides a framework for the school and its community to collectively support the wellbeing of every student.
- It has been successfully running within SPS since 2015.
- The four expectations at SPS are Safe, Respectful, Responsible and Resilient.
- Each term we focus on a different expectation. This term we are focussing on being Responsible
- Each week at SPS we have a different setting for the term's expectation. Please see the following expectations.

Week	Expectation & Setting	At Seaforth we....
5	Responsible in Toilets	Report any issues. Turn taps off. Leave food and drink outside
6	Responsible in Assemblies	Enter and leave calmly Use good manners
7 (NEXT WEEK)	Responsible at the Canteen	Line up and wait to be served. Use good manners Follow canteen staff instructions

Seaforth Public School disco

Disco tickets are now available to purchase for your children on flexi schools www.flexischools.com.au.

It's on 18 October which is the first Thursday of Term 4, and there are two sessions; Kindy - Year 2 is at 5.00-6.15pm and Year 3 - 6 is at 6.30-8.00pm.

The disco's theme, chosen by the kids this year, is crazy hair and fluro. So if the kids want to glow up; white and neon colours show up the best under the UV light!

We will have several face painting and hair spraying stands (\$5 for both), as well as snacks, drinks and glowsticks available to purchase on the night.

If you want to take dinner off your list of things to sort that night then pizza and poppers are available to purchase from Flexi schools too. These won't be available to purchase on the night. When you book your children's tickets and dinner please be aware flexi schools requires separate orders for the two sessions. As always these events are largely successful due to the much appreciated help from our families. We are looking for helpers for a variety of jobs on the night. If you think you can help in either or both discos please click on the sign up link - <https://signup.zone/m4ZFCyHL7iSQpkS9Q> and add your details to any of the available jobs.

Please purchase your children's tickets and pre-order dinner on flexi schools before 5pm Tuesday 16 October and we can look forward to a really fun evening!

Band News

What an amazing morning we had yesterday! The NSW Police Band came to Seaforth Public School to provide a workshop for our Performance Band and a concert for the Junior School.

During the workshop the Performance Band got to sit in amongst the Police Band and have extra instruction on one of their pieces- A Tribute to Louis Armstrong. Well done to Charlotte M who played an incredible trumpet solo at the end!

After the workshop the Police Band treated the Performance Band and the Junior School to a concert that included a range of contemporary music (Peppa Pig, Star Wars, Angry Birds, Jurassic Park, Havana to name a few!). They also introduced the children to all the instruments that make up a band. Year 2 kids, can't wait to hear what you want to play in band next year!!

SRC Fundraiser

‘A Fiver for a Farmer’

As many of you would know, our Australian farmers are currently experiencing the devastating effects of a harsh drought.

Following record dry conditions, farmers in rural Australia are in dire straits. As costs spiral and conditions worsen, even putting food on the table is becoming too hard for some families. Young children are even missing school in an attempt to help out.

In the last month, less than 10 millimetres of rain has been recorded in the western, north-west and central areas of NSW. This lack of rain has shocking effects on their animals and land, and forces them to make extremely difficult decisions.

To help our struggling farmers and their families, we are holding a fundraising day.

‘A Fiver for a Farmer’ was initiated by students at St John’s in Freshwater. Their idea is for schools to dress up as farmers and raise awareness and funds to support our farmers in need. See the site for more information on this wonderful initiative <https://afiverforafarmer.com.au>

WHEN: Friday 31st August

WHAT TO WEAR: farming attire (flannelette shirts, Akubra style hats, boots, anything you can find relevant to farming 😊)

WHAT TO BRING: if possible, a \$5 note, but any donation will be greatly received by our farmers in need

We are looking forward to supporting our hard-working farmers and spending the day dressed in Aussie farm wear!

Thank you

Staff Wellbeing Week

During Week 7 it will be Staff Wellbeing Week.

At the beginning of this term all staff attended a professional development day on 'Teacher's Mental Health' with leading psychologist Dr Michael Carr Gregg. We were able to discuss major stressors, signs of burnout, stress management techniques and concrete strategies to improve individual staff member's coping strategies, including advice on how to sleep better. When we are at our best, we give our best to the children we teach. As a result, during Week 7, staff will have a variety of resources and activities available to support them in their wellbeing. We hope it is a week that will prompt not only us but our wider community to think about and value the wellbeing of those around us.

Reading Buddies Program

Our Reading Buddies program is off to a flying start thanks to the dedicated Year 6 buddies that have given up three mornings a week to tutor a Year 1 student before school. I am beyond proud of the way the Year 6's have committed to the program and the way they interact with their buddies. I think we may have a few future teachers in the making!

Congratulations also to the Year 1 students for their hard work and commitment to their reading progress. It's fantastic to see how many stickers are on their sticker chart already. A special shout out to Bryce K of 1B for providing all the buddies with breakfast last week!

Keep up the great work buddies!

Book Parade and Book Fair

Remember the book parade is next Tuesday 4 September. All students come dressed as something/someone they treasure. All parents and grandparents are welcome to attend and dress up too! All children should arrive at Kempbridge Campus in the morning. The parade will start at 9:45. The classes will be sitting on the oval with their buddies.

Go to FLEXI SCHOOLS to order food and drinks for the book parade sausage sizzle.

\$3.50 for a sausage sandwich and \$5.50 for a sausage sandwich and ice cold poppa.

Ordering closes Friday 31st August 12 o'clock.

The students have been looking at books that they can purchase and keep from our book fair.

Book wish lists will be coming home this week. You can purchase the books online from Carnival Fairs www.carnivalfairs.com.au. All the information will be on the wish list.

The books are on display in the library. You can still purchase books and novelties on book parade day. The library will be open before school at 8:30 and at lunch time.

Carnival Fairs have lent us EFTPOS machines. Cash is OK too!

Year 6 Incursion – Graphic Novel workshop

Last Wednesday 6C and 6V had a fun, informative and creative workshop learning how to draw comic characters and put together a story board. Everyone learnt something that day. I would personally like to thank Stephen Kok for donating his time to our students. Two students with the best storyboards were given a signed picture from his book.

Donate a Book to the Library

Thank you to all the parents and grandparents who purchased books for the Library on Open Day. The majority of the books have been accessioned and covered. The prepared books will be handed out this week.

Looking forward to seeing you at the BOOK PARADE!

Kitchen Garden News

Kitchen News

In the kitchen we have further investigated why Irish and English people moved to Australia, back in the early 19th century.

We explored the traditions and food that they brought with them.

We made delicious Irish Colcannon, English coleslaw and dairy & egg free scones.

Don't forget to support the "Fiver for a Famer" fundraiser this Friday. Come dressed up as a farmer and let's raise as much money as possible for the drought-stricken farmers across NSW.

Garden News

Kindergarten have been busy planting potatoes. They have learnt about different types of seeds and how plants grow, and that a potato seed is... a potato! Some of the seeds were planted in potato sacks and others have been planted in the ground.

There are Kipflers, Nicola, Dutch Cream, Royal Blue and King Edward and Kindergarten are excited to see that some are starting to stick their heads out of the ground.

Years 1 and 2 have also been learning about what things plants need to grow, as well as looking at different types of seeds. They have planted lots of peas, carrots, garlic and beetroot. All of these are starting to sprout as well.

They have also discovered (by chopping up and eating an apple), how much of the planet is available to produce the food that over 7 billion people consume.

We are starting to look at how important soil is for food and students handled a sample of 'good' soil, worms and all!

All of the classes have delved into the differences between living and non-living things. They found living and non-living things in the garden. One of these types of things Breathes, Grows and Changes – ask the children which one it is :).

The garden is looking great, thanks to all of the watering by students and the incredible hard work by Michelle French.

Environment Committee – Yatama

These dedicated students will be taking care of all things environmental on Yatama Campus. They will be handing out Handshakes to everyone who uses our bins correctly and helping with the composting of our fruit and veges and also our new compostable spoons and cups from the canteen.

Thanks to all these students for their hard work!

Dear Seaforth friends and community

Thank you so much for your all your support to help Bella attend a camp during June and July at Columbia University NYC to help her use her left hand.

Your response to the fundraiser that my lovely friend Brigid organised was overwhelming and helped us a great deal.

We are happy to let you know that the results from the camp were extremely positive for Bella and for us as a family. At camp Bella was paired with a personal interventionist that helped and encouraged her to complete grooming, arts and crafts and meal preparation activities for six hours daily using both her hands. The 90 hours has accelerated the use of her left arm and hand, and provided her with a great foundation for gaining functionality in her daily life.

The feedback from her therapists, swimming instructors and Ms Aitken has been very encouraging. We cannot thank you enough!

Winter PSSA Results

Grand Finals – 17th August 2018

Senior Girls Soccer Team – played Harbord in the grand final and lost 2-0. We played a very tough game against Harbord at full time the score was 0-0. In extra time Harbord managed to score 2 quick goals. A special thanks to our amazing coach Mrs Vidot. Amazing work this season girls. The best player was Emily and the fairest was Charlie. The captains were Kaila and Meisha.

Junior B Boys Soccer Team – played Dee Why in the Grand Final, we played an amazing game and won a close game 1-0. Best players today were the whole team. A huge thank you Miss Aitken for coaching us this season. Captain were Vincent.

Every member of this team has played an amazing season and the team work and sportsman ship showed by all has been an absolute pleasure to watch.

The game was very exciting, with only one goal being scored so we were extremely happy when that full-time whistle blew.

Congratulations boys, a very well-deserved win.
Miss Aitken.

Senior A Netball Team – played Harbord in the Grand Final and won 17-11. Good games girls and thank you to Miss Carlton and Miss Crowshaw. The best player was Georgia and the fairest was Alexa, the Captains were Zara and Roxy.

Burnt Bridge Creek Deviation noise wall

Project update – work on Dudley Street

Roads and Maritime Services | April 2018

The NSW Government is funding this \$4.38 million project to reduce the traffic noise levels for nearby residents as part of the Noise Abatement Program.

Roads and Maritime Services is building a noise wall along Dudley Street, Balgowlah. This work will reduce the impact of traffic noise on residents.

Work carried out so far

The completed work includes:

- installing the 240 metre Stage 1 noise wall
- installing the first 96 metres of the Stage 2 wall.

Next stage

We are continuing to deliver Stage 2 of the project.

We will be removing nine trees and one shrub to widen the driveway at the northern end of Dudley Street and to install the final section of the noise wall.

We have included a map to show the location of the trees and shrub to be removed.

Other work to be completed includes:

- installing the foundations
- building a new ramp slab
- installing the remaining 81 metres of wall panels
- tree and shrub removal
- installing new guard rails
- landscaping.

Our work schedule

The next stage of the project includes activities that will require us to work some night shifts. To complete these activities efficiently, our schedule will include a small number of consecutive night shifts.

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.

Our day shift hours will be between 7am and 5pm from Monday to Friday and between 8am and 1pm on Saturdays.

Our night shift hours will be between 9pm and 5am from Sunday to Friday. To complete the work, we will need to work up to 6 nights per month. We will not work public holidays.

Location of trees and shrub to be removed.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Vehicular access to private properties at the northern end of Dudley Street may be interrupted at times but we will do our best to minimise inconvenience to residents.

Pedestrian safety

For the safety of the community, the footpath on Dudley Street will remain closed during this stage of work. Pedestrian access between the northern and southern sections of Dudley Street will continue via a pedestrian tunnel under Burnt Bridge Creek Deviation.

Pedestrians are advised to allow an extra five minutes for the detour.

Thank you for your patience during this important work.
