Congratulations to our Wakakiri group for getting into the finals

Congratulations to our students and staff for getting into the Wakakiri finals next Tuesday 18 September. This is a wonderful result for our school and I look forward to seeing their performance next week. Many thanks to Ms Crowshaw, Miss Wood, Miss Van Der Saag and Mrs Abramowicz for the many, many hours they have spent on weekends, before and after school to get our students to this level of outstanding achievement.

Established in 1992, Wakakiri is Australia's largest Performing Arts event for schools, involving over 20,000 students across every state and territory. Over 1 million people watch Wakakiri performances live, online or via Wakakiri TV each year.

Each year schools across Australia create Story Dances for Wakakiri that reflect students' thoughts, ideas and aspirations. These stories are performed in professional theatres in front of the official 'Wakakiri Panel' who are searching for 'Story of the Year'.

Emphasis in Wakakiri is on participation and creativity not expensive and extravagant productions. An emphasis is also placed on creative movement and drama not on technical dance meaning every student can participate.

Wakakiri encourages schools to minimise their footprint when creating props and costumes for their performance and offers special awards for schools that excel in this area.

Zone Athletics Carnival

Congratulations to our students who participated in the Zone Athletics on Wednesday 29 August. We were very proud of their performance and sportsmanship on the day. These students have now progressed to the regional competition: Bella H - 4A, Flynn R 4J, Bastian T Y – 2N, Noah K - 3/4C, Chelsea H – 3W, Heloise C - 3S and Gigi D – 2A. The Sydney North Regional Carnival will be held at Homebush on Monday 17 September. We wish them all the best of luck in their events.

Congratulations also to Grace French who made it into the State Touch Football team and will be competing in Tasmania in Term 4. What a wonderful achievement and opportunity for her. We are very proud and wish her the best of luck!

Mindquest 2018 – Gifted and talented Opportunity

On Saturday 10 and Sunday 11 November 2018 the NSW Talent and Enrichment MindQuest weekend will be held for Primary students from Years 1-6 at Glenwood High School. Students will have an opportunity to participate in over 37 exciting, fast-paced courses in the two-day program. They include courses in chemistry, earthy sciences, drama, Lego robotics, art and much more. Most of these courses have been run in the past and students' evaluations suggest that they have been challenged and enriched by the experience. The cost of the week is \$195 (including GST). Closing date for applications is Friday 19 October. If you would like your child to apply, please collect an application form from either of our school offices.

Brooke Street No Parking Zone

Unfortunately we are still receiving feedback that the Kiss and Drop Zones / No Parking Zones are still not being equitably used by our community.

It is important to note that these zones are school 'Drop off' zones which are 'No Parking' – 8.00-9.30am and 2.30-4.00pm areas. The driver can drop off persons and goods and can't go more than 3 metres away from the car or stay longer than 2 minutes. It is intended for parents to drop their kids off, help them out of the car or help them get their bags out from the back, give them a kiss then then send them off. It is not meant for parents to park their car, leave it unattended and then escort the child to the classroom or in the afternoon it is not meant for parents to get there early and park their car and wait 20 minutes for their child to turn up.

Please be considerate of how these zones are used, as we are all busy in the morning and afternoons. We have been notified that the Dee Why Police Traffic Command will be patrolling these areas to enforce these laws over the coming weeks.

Reading Buddies

Congratulations to our wonderful Year 6 Reading buddies who are doing a fabulous job supporting our Year 1 students with reading on Monday, Tuesday and Wednesday mornings before school. This initiative was started earlier this term by Mrs Reid, Mrs Bye and Ms McLellan. The school is receiving wonderful feedback from staff, parents and students about what a wonderful opportunity this has been for all involved. Thank you.

Book Week Parade

Thank you to all of our parents and grandparents who came along on Wednesday 12 September to our Book Week Parade. We were very fortunate to have a beautiful, sunny, spring morning for the event. There were some amazing costumes, which reflected a diverse range of favourite book characters for our students in K-6, followed by a fun sausage sizzle. Thank you to Ms Cook and Miss Malhas for your organisation of this school event. Thank you to all of the mums and dads who helped with the sausage sizzle and to Theo H (Philip H - 4A), for his wonderful sound system support and musical extravaganza.

SASS Week

Last week was NSW SASS (School Administrative and Support Staff) Recognition Week. Our SAS staff play an important role in the school community. They are often the first people you see when you enter the school and are essential to maintaining positive relationships with students, parents and the community.

SAS staff work in school offices, in classrooms and libraries and maintain and care for school grounds and buildings. They are often the ones to tend to students when they unwell and they ensure the efficient management of school financial and administration functions.

We want to recognize and thank Gina C, Nikki P, Megcheline W, Lynda T, Emily M, Mel V, Adam J and Mr Chris, for helping us keep our school running as smoothly as it does. We celebrated with some lovely cards made by the students in each class and a special morning tea.

Teacher Wellbeing Week

Last week we also celebrated Teacher Wellbeing week. The staff supported each other in a wonderful week of muffins, soup day, an afternoon yoga lesson and some lovely collegial messages and flowers. It was so lovely to see the supportive collegial network which exists at Seaforth PS. A special thank you to Mrs Abramowicz who organised most of the events. It was such a lovely recognition of the importance of supporting each other within our workplaces too. We are very fortunate to have such a dedicated and hard-working team at Seaforth PS. Many of the teachers were also very touched by the parent acknowledgment of the amazing job they do with their children too.

Book Parade and Book Fair

Thank you to everyone who came, supported and had fun at the Book Parade. It was an awesome day. The students and teachers looked amazing. I especially want to thank Lissie Malhas and her wonderful parent helpers for the sausage sizzle, Fiona and her helpers in the canteen, Liz Armstrong for her brilliant hosting, and Theo Hronopoulos, our DJ, who saved the day by fixing the sound system on the morning. Our wonderful Chris Glass did the physical set up and pack down job. All the teachers dressed up, encouraged their students and did so much more to make our book parade a success. I also have to give a special thanks to Emma Martin and Megcheline Williams who helped with the book fair in the library. Much time before and after the book fair was spent on finding, sorting and checking.

Kitchen News

Seaforth PS Stephanie Alexander Kitchen Garden

We are very proud and excited to announce the school's partnership with

The Source Bulk Foods – Balgowlah

Shop 36, Stockland Balgowlah

Australia's largest specialised bulk food retailer, with its focus on zero waste and quality products, including grains, flours, rice, lentils, herbs & spices, muesli, honey, oil and healthy snacks, many of which are organic, pesticide free products.

The Source Balgowlah has a Seaforth PS loyalty card, where 5% of the value your purchase can be 'donated' to our incredible Seaforth Kitchen Garden Program, for later redemption at The Source.

The students and I cannot wait to use some of their wonderful products in our cooking to create even more flavoursome dishes, whilst focusing on health and sustainability.

This week in the kitchen, we have been further investigating food from countries that played a part in the history of Australia.

Having explored dishes from Vietnam, Ireland, Germany, Greece, China and England, we also acknowledged the Dutch landing on Australian soil in 1606.

Therefore, we enjoyed Dutch Stampot, Boterkoek and Rode Kool.

Another delicious feast.

Garden News

The garden is looking so good because of all of the rain we had recently. Kindergarten's potato plants are coming up super healthy and green, despite being attacked by the local wildlife (rabbits and bush turkeys). Michelle put in a fence which has stopped the marauders. The peas and garlic that Year 1 put in are shooting beautifully, and the beetroot and carrot seeds are germinating.

Potatoes

Peas

Kindergarten have also been learning about worms – ask them how many hearts a worm have!

Not only have they been learning about worms, they have been holding them!

Years 1 and 2 learnt about worms last week and the important impact they have upon our soil. This week they are looking at the different types of soil around our garden and what might make them up. Everybody agreed that the compost was 'squishy'.

Knowing that worms are so important, all of Kindergarten, Years 1 and 2 are looking forward to the new worm farms that are hopefully, coming next week.

All of the classes have done some important digging, turning over garden beds that will be used to plant pumpkins, corn and zucchini.

Garden Club (every Thursday at lunchtime) have been doing some great work in the garden including watering and weeding. Anybody can come along, just turn up after eating time.
