From the Principal

Concert Performances

Three out of four of our concerts have now been performed and I must say how proud I am of all our students. The energy and enthusiasm that went into each and every performance is to be commended. I would particularly like to thank our Year 6 students who hosted the shows and were the back stage supporters. We couldn't have done it without you! Thank you to all our talented teachers and students who wrote and choreographed the performances. A special thanks to the Concert Committee who did all the extra work to make it run so smoothly. A Night in the Library was certainly a lot of fun!

Presentation Days

Firstly I would like to thank Lisa Carlton and Sammi van der Saag for organising an outstanding Sports Presentation Assembly last week. Congratulations to all our students who received awards – we are so proud of you. We are also so grateful and proud of everyone who has participated in sports programs throughout the year. The words from our guest speaker Duncan Read were an inspiration to all and acknowledged the importance of everyone who has a go. I would like to thank Duncan for so kindly giving his time and speaking so warmly to the students.

I look forward to our academic and arts presentations on Wednesday 12 December along with the important announcement of our 2019 school captains and leaders. Congratulations in advance to all our very worthy recipients. The K-2 Presentation Day will commence at 10am and the 3-6 Presentation Day will commence at 12pm in the Kempbridge Hall.

Leaders Speeches

Congratulations to all 13 students from Year 5 who gave speeches last week in their campaign to run for school captain or school leader. The quality of the presentations was high and there was genuine care and community spirit for our school in every speech. It is not easy to speak in public (I certainly still get nervous!). So I am very impressed and grateful to the following students who made the effort and have that passion to strive to do their best. Not everyone will be a leader this time round but that does not mean you don't have leadership qualities – you have already shown that you do. So never give up and keep giving things a go. You should be very proud of yourselves. Congratulations to our candidates: Jack L, Woody P, Alexa B, Olivia M, Henri M, Lucy D, Natasha S, Amber R, Sam W, Miles K, Toby B, Guy O and Zac B.

Helpers Morning Tea

I hope all our wonderful volunteers throughout 2018 are able to attend a morning tea hosted by the staff on Wednesday 12 December in the Kempbridge Staffroom. This is our opportunity to thank you for your support of us and our wonderful school. This will commence at 11am between the two presentation assemblies.

School Spectacular Performance

We are very fortunate to have two wonderful dancers at Seaforth who have represented our school as part of the Sydney North Junior Public Schools dance group throughout the year. Matilda C. and Laila B. performed on 23 and 24 November at the School Spectacular at Qudos Bank Arena. This is a great honour and is a very prestigious event. Congratulations Matilda and Laila. You have made us all very proud.

Class Placements

Parents have been given the opportunity to speak with their child's teacher or myself in regards to any considerations for 2019 and a cut-off date of Friday 2 November has now passed. A lengthy and careful planning process has taken place for the formulation of classes, where equity of numbers, gender balance and mixed abilities has all been taken into consideration. We are unable to accept further considerations. I would like to thank those who did get their considerations in by the due date.

Week 10

Our last week of the school year is Week 10. Students will attend school in Week 10 from Monday 17 December – Wednesday 19 December with the first day of holidays commencing on Thursday 20 December. A final abbreviated newsletter will be published on the last day of school to farewell our lovely Year 6 students and wrap things up for the year.

Band News

The Band program finishes on Thursday 13 December 3.15-4.30 with a Christmas concert & party for family and friends. Both Training Band and Performance Band have prepared a number of songs for the event, there will be awards and a celebration of how far the kids have come this year. Kids joining the band next year are also invited to attend and will be able to sit with the current Training Band during one of their songs.

Please bring a simple snack for the kids to share with their friends (Surname A-K sweet, Surname L-Z savoury) and let us know of any dietary requirements.

Unless prior arrangements have been made all rental instruments must be returned at the end of the Christmas party.

Thank you so much for your support of the program in 2018. The Band program for next year starts Tuesday 29 January for the Band Kick Off Day. Rehearsals start in Week 2 of Term 1 (February 4). Band rehearsal times next year are:

Stage 2 Perform at BUPA

Last week, Year 3 and 4 students visited the BUPA facility in Seaforth and brought much joy and happiness to the elderly residents. Across three sessions the children performed a selection of old songs from the residents' era, some multicultural songs and a few Christmas songs and carols. Many children made greeting cards and were able to meet and chat with the residents. The staff at BUPA provided a lovely morning tea for the students. The children could tell the residents enjoyed their performance as they reflected on the audience clapping and singing along, dancing in the aisles and even crying tears of joy. Well done Stage 2 for preparing your songs so well, making yourselves and the school proud and bringing so much happiness to our local community.

Library News

It was such a pleasure letting our best borrowers choose a free book. They were so excited!

Just a reminder as it is the end of the year, all books must be returned.

Please have a look over the holidays for any library books. We still have many, many missing books.

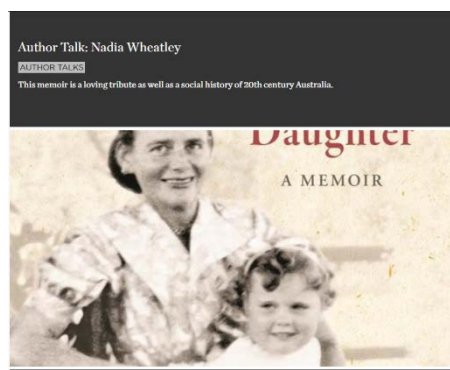

The State Library is celebrating May Gibbs' The Magic Pudding. This exhibition is free. This library has many other wonderful exhibits and activities.

<https://www.sl.nsw.gov.au/exhibitions/magic-pudding-celebrating-100-years>

The library is free to join. Parents you may be interested in this author talk.

I have really enjoyed working in the library this year. I look forward to seeing the students next year.

Have a safe and happy Christmas!

PSSA Summer Finals 2018

Senior Girls Eagle Tag A – Harbord in the Final and won 11-2. A huge thank you to all the girls for all the hard work they have put in this season. We want to thank our awesome coach Miss Crowshaw. A shout out to Evie who broke her arm but still came to support us today. Best player was Stella and fairest player was the whole team.

PSSA GRAND FINAL – GIRLS EAGLE TAG

Last Friday the Senior A girls eagle tag team played in their PSSA grand final match against Harbord Public School. After an undefeated season and winning the league tag gala day, the team was prepared for a strong match up against their long-time rivals.

The girls played exceptionally well as a team, demonstrating superior passing and ball movement skills in attack and making it almost impossible for Harbord to score by tagging relentlessly when defending. This led to a final score in their favour of 11-2, an outstanding achievement.

The sportsmanship of all players was also exemplary and the girls should be commended for the manner in which they have represented Seaforth throughout the season. I am very proud of them and they have been a pleasure to coach. Congratulations girls on your well-deserved win!

School Banking

Tuesdays will be the School Banking day and students should bring in their weekly deposit.

For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on the next School Banking day. We will issue them with a replacement.

Thank you for supporting the School Banking program at Seaforth Public School.

Smile at Christmas

The Smile at Christmas giving trees at Kempbridge and Yatama are now up and ready. The tree at Yatama has tags that have ages and gender noted for Stewart House. They are slightly older children and are based on children that are staying with them over Christmas. The tree for Kempbridge is for children at the Royal Far West. These tags are blank so please write the age and gender your present would be suitable for. Please take a tag then purchase a gift for that age group/gender then bring the gift back with the tag attached and place under the Christmas tree. For further information see the flyers that are included in this newsletter. If we run out of tags please ask the office staff as more will be available. Thank you in advance for your kindness and generosity in supporting Smile at Christmas.

No distance too far

When children in rural and remote areas have health and developmental problems, the right help can be a long way away. However being far from help, doesn't mean they are far from hope. We help to assess, treat and support children and families going through growing pains.

SEAFORTH PUBLIC YATAMA - STEWART HOUSE GIVING TREE

Stewart House has grown since 1931 with one charter - to care for children from all parts of NSW and the ACT that are in need. Central to our growth is the requirement that these children are part of the public education system in either state. Stewart House enjoys unprecedented support from the NSW Department of Education and NSW Health and the NSW Teachers Federation.

Each year 1,700 public school children in need come to Stewart House from many parts of NSW and the ACT. During their stay, children are provided with optometric, dental and medical treatment as well as emotional support. This is balanced with health and educational programs and out of school activities to boost their self-esteem and to promote a healthier lifestyle.

State Transit Authority – Route 755

Due to the low patronage for above service (1 student most days) , there will be no guarantee to keep this service during morning next year as buses will be utilised on overcrowded routes. This service normally services three schools: Seaforth PS Kempbridge Campus, Seaforth PS Yatama Campus and Cecilia's Church. Attached the route information with stopping patterns and the map for your reference. Students and parents may have to prepare alternative transport measurement next year.
